Portrait Sessions

Cost: \$200 with a \$50 credit towards prints. (must be paid in advance)

A session is for one family up to 6 individuals. Adding additional extended families to the session is \$50 per family. Sessions are 1 hour, and additional hours are billed at \$100 per hour.

Within 1 -2 weeks from your session, you will have an online password protected gallery to view and order images. Print credit and gallery to expire 15 days after gallery release. After a gallery expires, there is a \$50 re-upload fee.

I take unlimited images during the hour and unlimited poses. All sessions are shot on location, so feel free to bring any significant items you would like to include in your portraits. Feel free to include your pets, as long as they don't bite. ☺

All portrait sessions are shot in or around the Auburn/ Opelika area. Travel fees to apply for further distances.

Special editing services available for an additional fee per image.
