

We take fun, funky, fresh, modern senior portraits on location to reflect your personality and that which defines YOU the **2010** Senior!

What we don't do...

We don't use studio backdrops. We don't use black drapes. We don't limit poses. We don't limit locations. We don't have minimum purchases. We don't use the same locations. We don't use dated props. We don't offer bargain prices.

Why.... Cause we like images to look like this...

So if you don't do all of those things above, What do you do????

Well... It goes like this....

You pick out all the outfits you want to wear. You pick an available date. We have a chat about what defines you as a senior and what you want your images to reflect. We meet on the day of your session and travel around to a few locations, Shoot tons of poses and have lots of fun. You can use any props you want to bring... Your car, your skateboard, your cheerleading uniform, your saxophone, your football, even your dog. (As long as he doesn't bite!) ☺

So you took my pictures, Then What???

Within a week I will blog a few sample images on the Burnett Photography Blog (<http://burnettphotography.com/blog/>) and tag your images on facebook. I blog the images that are my fav... So be sure to send your friends the link so they can check out your awesome self!

Within 3 weeks you will have a password protected online gallery that shows all of your images. You can view them, show them to your family across the country, buy digital downloads or purchase prints and products.

What??? You mean I can buy the file... The jpeg file? Really??

Heck Ya. I don't really want them because even though I like you and all... I only hang pictures of my family on my walls, so I don't need all these files forever. You can print as many as your want from the file, but the release does prevent you from selling the images or having them published without proper credit to the photographer.

So what's this gonna cost me???

Pricing for a senior session begins at \$200 and is due at the time of booking. That includes a 2 hour session in and around Auburn, AL. The session fee is for the time and talent of the photographer as well as the processing and hosting of your images. You don't have to pay extra to use your car or to change your outfits. Wanna few with your boyfriend, girlfriend or BFF? No problem, as long as Mom or Dad says it's OK, and you realize that the time used to shoot those comes out of your individual time. If you need more session time, it is billed hourly at \$100/ hour.

Digital Images and prints are all sold separately. If you only want one 5 x 7, then you only buy one 5 x 7. If you want proof books, Senior Albums, canvas prints and die cut wallets with your name, you can buy those too.

Who are you and where did you come from ??

My name is Mrs. Jamie Burnett, I am a wife and mother and a portrait and wedding photographer. I have a passion for modern images and a knack for having fun on shoots. You may just want to prepare yourself for your inner supermodel to come alive and work it for the camera. We moved to Auburn, AL in the fall of 2008 from Phoenix, Arizona. I still travel back to Phoenix several times a year to shoot portraits and weddings, so keep reading the blog and you might see someone you know, or some really cool Arizona sessions. ☺

But I want a background with a drape...

Then I'm probably not the photographer for you. I do take some traditional headshots, but I also love to incorporate your interests and really showcase who you are as a Senior. If you aren't looking to have fun and create some modern lifestyle images, then I will respectfully refer you to some photographers who have a more traditional style.

Do you have packages?

I try not to have packages. Why? Because I want you to buy what you want, not what I think you will want.

The economy hasn't been so good, do you have any specials for us?

I don't have any current price specials, but I do give credit for images for referrals. For every student you refer that books a paid session to have their senior images created by Burnett Photography, you receive a credit towards free images
